The membership offering

- Membership fee €4000 per annum
- Access to trial information and results,
- Input into the work of the group,
- Networking with flooring manufacturers,
- Information relevant to the industry and to the development of the circular economy
- Access to webinars on various topics, including market data.
- Associate members will also receive access to information relevant to construction products generally and flooring in particular.
- No voting rights for associate members, full terms will be established in the articles of associations

11. Amendment of articles of association

Articles of Association need to be changed:

1. According to the new Belgium law on associations
2. To invite in associate members to be part of the circular economy group as discussed in the ExCom

Draft issued by Liedekerke, but not ready to present to General Assembly yet. .
